MEMORANDUM FOR: DI Executive Officer

FROM:

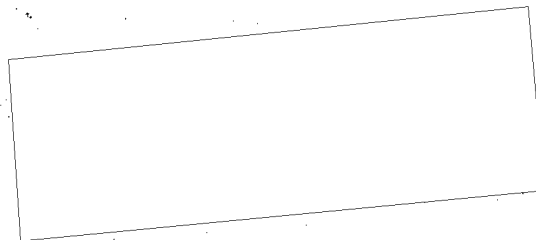

[REDACTED]  
DI ADP Coordinator, RPMC/MPS

[REDACTED]  
Chief, Analytic Support Group, DI

SUBJECT: Terminal Allocation

1. Attached is our strawman for allocating the remaining 86 terminal ports available to the DI. We realize this distribution doesn't really satisfy anyone, but it is an attempt to spread the remaining few terminal ports to those offices with the greatest need. Our next step will have to be relocating terminals within offices to meet high-priority needs.

2. We have sent this strawman to the ADDI for his review. If needed, we can discuss the proposed allocation at his Friday morning meeting.
